Education

University of Maryland - College Park, MD

B.S. Marketing & Management, 2013

Bunker Labs DC - Alexandria, VA

Startup Accelerator Program, 2016

Experience

Vumble - Founder & CEO, Jan 14' - Present

Created the leaderboard for online video. It's the fastest way to discover Youtube videos without ads. Debuted on Reddit and featured on Product Hunt, leading to a user base of over 50,000 people.

Washington Talent - Photographer, Sept 13' - Present

Event photography ranging from candid to photo stations. I am a lead event photographer managing client relationships, executing photoshoots, and operating professional editing software.

Dingman Center - Design Intern, Jan 12' - Jun 13'

The University of Maryland's Entrepreneurship Center. I was in charge of designing graphics for web/print marketing and managing the organization's social media.

Facetime Strategy - Marketing Intern, May 12' - Sept 12'

A digital marketing agency with fortune 500 clients. During my experience, I conducted market research, created proposals, and managed client social media accounts.
